Leadership Cheyenne is the experience of a lifetime! It is a program for a diverse group of business professionals who participate in a challenging, interactive and thought-provoking nine month educational program, followed by a three month event planning process. The program is designed to promote a better understanding of the community, build and enhance leadership skills and develop a strong network of future community leaders. Leadership Cheyenne encourages participants to share the benefit of their own experiences while they also learn from others. The goal is to inform participants about the diversity of our community in regards to government, education, business, economic development, and social issues.

A community is only as good as its leaders. Effective leaders see where the community has been, understand its unique challenges and resources, and have the courage and skills to make an impact. Communities that make a concerted effort to develop leadership qualities in their citizens strengthen the economic health and provide other extensive advantages over other communities. Each Leadership Cheyenne Class is unique and finds their own way to contribute to the community. The best part of the program is the development of valuable relationships created along the way.

Be a leader who believes in the future of our community!

NOW ACCEPTING APPLICATIONS FOR THE 2020-2021 CLASS.
APPLICATION AVAILABLE AT WWW.CHEYENNECHAMBER.ORG

HISTORY
The Greater Cheyenne Chamber of Commerce formed Leadership Cheyenne in 1985 with the goal of developing leaders for the future. The purpose of Leadership Cheyenne is to educate participants about the community and help them develop a desire and commitment for life-long civic trusteeship.

LEAD
A community is only as good as its leaders. Effective leaders see where the community has been, understand its unique challenges and resources and have the courage and skills to impact its future. What’s more, communities that make a concerted effort to develop leadership qualities in their citizens tend to have economic and other advantages over other communities. In the best cases, that can mean a better quality of life for all!

“*If your actions inspire others to dream more, learn more, do more and become more, you are a leader.*”

- John Quincy Adams

CLASSES
Leadership Cheyenne Classes are scheduled on a 3-week rotation with dates listed below. There are both day classes and evening classes. The day classes usually run from 8 a.m. to 5 p.m., evening classes usually run from 5:00 p.m. to 9:00 p.m. There are a few exceptions with both the day and evening times. The Leadership Cheyenne Program builds leaders through the educational process of coordinating and leading assigned class session(s). A Steering Committee Advisor will help guide the process.

*Scholarship requests are processed separately from the selection evaluation and acceptance into the program is not dependent on the source of tuition.

COMMITMENT
Being selected to participate in Leadership Cheyenne is an honor. With this honor comes the responsibility to be present and on time for each class and activity.

Additionally, those whose participation is sponsored by employers will be required to obtain supervisor signatures ensuring management support of the attendance policies of this program.

All class participants must attend the applicant reception, orientation, Challenge & Leadership, as well as select Boo-Ball Meetings.

Participants are also expected to attend all sessions, though provisions have been made for absences. Absence from up to two classes will be excused and graduation still allowed. Absence from more than two sessions disqualifies a candidate for graduation.

Attendance will be taken at the beginning and end of each class. Attendance benefits you and the group in general. Your attendance and participation are important to you, the rest of your class members and the integrity of this program.

APPLY
The Leadership Cheyenne Classes are diverse and help you connect with a variety of business professionals. You are a good candidate for participation in Leadership Cheyenne if:

- You are concerned about this community and want to learn about the issues and challenges it faces
- You are willing to contribute your time, energy, talent and skills to enhance this community
- You have leadership potential and wish to develop or improve your leadership skills

Please visit www.cheyennechamber.org to access the application.

Applications are due Friday, June 19 to: Alex Farkas, Director of Marketing
P: (307) 638-3388

A: 121 W. 15th St. Suite 204 Cheyenne, WY 82001

BOO-TIFICATION BALL
Following the monumental achievement of graduating, the Leadership Cheyenne graduates then embark on a three month journey of planning and raising funds to implement their planned class project. While participating in the program sessions, the Class will select a community beautification project to contribute to Laramie County in the name of all of the recent graduates. Funds to implement the project are generated by the annual Boo-tification Ball. This event is held in October and is the epic costume party everyone looks forward to.

Leadership Cheyenne Graduates will work to accomplish their selected initiatives from planning the event, fundraising and handling the logistics of making the project a reality. Following graduation there will be meetings required throughout the summer months of 2020 for all recent graduates.
